For all Standard Mail letters, add **\$0.073** (was \$0.07) per assessed piece, for mailings with less than 70 percent of pieces passing Performance Based Verification at acceptance and which cannot demonstrate Move Update compliance.

Forward and Return Service: If used with electronic/automated Address Correction Service, forwarded letters pay **\$0.365** (now \$0.35) per piece. Returned letters pay the applicable First-Class Mail price. All other letters requesting Forwarding-and-Return Service that are returned are charged the appropriate First-Class Mail price for the piece plus the price multiplied by 2.472.

Add \$0.021 (was \$0.020) for each piece that includes Picture Permit Imprint Indicia

Add \$0.000 for each letter bearing a Repositionable Note.

/1 Automation letter-sized pieces weighing more than 3.3 ounces but less than 3.5 ounces pay the applicable flats piece and pound price but receive a discount off the piece price equal to the minimum flats per piece rate minus the minimum letter per piece rate corresponding to the applicable entry point and density tier. Nonauto basic carrier route letters, saturation and high density letters over 3.5 ounces, and saturation (other than pieces with a simplified address) and high density letters over 3.3 ounces without eligible barcodes or not meeting automation letter standards must pay the prices shown in the applicable flats tables; cannot be entered at DDUs; and must be prepared as letters.

/2 Subtract \$0.001 per piece for each Basic, High Density or Saturation letter that complies with the requirements for Full Service Intelligent Mail.

Add **\$0.073** (was \$0.070) per assessed piece, for mailings with less than 70 percent of mailpieces passing a Performance Based Verification at acceptance and which cannot demonstrate compliance with Move Update requirements.

Pieces requesting Forwarding-and-Return Service that are returned are charged the appropriate First-Class Mail price for the piece plus the price multiplied by a factor of 2.472.
